The Policy is governed by the Conditions set forth in the Image Use and Reproduction Application. There are generally two categories of use:

- 1) **Non-commercial:** includes publications, broadcasts, exhibitions, and electronic transmissions that are educational in character and are given away for free or for nominal charge.
- 2) **Commercial:** includes publications, broadcasts, exhibitions, and electronic transmissions that will be sold to the public for profit.

### IMAGE USE FEES

**No Intent to Publish:** No use fee is charged for images requested for teaching or research purposes that will not be published. A fee may be charged if new photography is required (see Photography Fees below).

#### **Intent to Publish:**

- 1) **Non-commercial:** Use fee normally waived. Two (2) complimentary copies of the publication in which the reproduction appears must be provided to the Museum of Anthropology.
- 2) **Commercial:** The standard use fee per image is \$200.00 and is subject to change. Determination of the actual fee will be made by the Director or Associate Curator of the Museum of Anthropology.

### PHOTOGRAPHY FEES

If the requested image is not available, new photography is required and will be scheduled upon consultation with the requestor. In-house photographic studio and processing time is usually charged at the rate of \$50.00 per hour; the fee is normally waived for requests that take less than an hour to complete. Determination of the actual fee will be made by the Director or Associate Curator of the Museum of Anthropology.
